WHAT WE DO

All Our Kids, Inc. was founded to provide support and build a sense of community for foster and adoptive families in our region. We educate the public about the realities facing children in care, encourage engagement, and innovate solutions that make a real difference.

AOK is a volunteer-run, non-profit organization serving Western Massachusetts.

All donations are 100% tax deductible.

MISSION

AOK empowers Western Massachusetts foster and adoptive families to thrive by enriching community connectedness, providing education and resources, and helping the public understand and support our experience.

OUR FAMILIES SAY

"The support that AOK facilitates is invaluable, & is a huge factor in our ability to sustain the commitment to fostering."

"At an AOK gathering, I found a common bond with so many....It is vital for survival and sanity. These people, these friends...they are not just resources--they are family."

"The people who know the most about this system are the foster parents who have been doing this for a while. It is so incredibly helpful to have these experts' advice at my fingertips!"

We know the challenges families face because we've been there. We are there. We understand.
