

Are you caring for a loved one with disabilities?

Does your family **need help paying for the extra costs** associated with a loved one's special needs?

Are you having a **hard time paying for the equipment, therapy or programming** that you or your loved one need?

The WillPower Foundation provides **grants to Western Massachusetts* families and individuals with different abilities** to help empower them to meet their needs. (*Applicants must reside in Hampshire, Hampden, Franklin or Berkshire counties.)

Eligible families may receive grants of up to **\$500 dollars per calendar year**. These grants help cover the costs of a wide range of products and services such as **sensory or mobility equipment, therapeutic recreation (like therapeutic horseback riding), educational advocacy services, specialized summer camps, and more.**

Our online application process is **quick and easy**. We have 3 grant deadlines per year. Visit our website for our grant submission schedule and more information about our funding guidelines and how to apply:
