

Want a PAL?

Are you a trans, nonbinary,
or gender expansive
youth (ages 5-18)?

Get connected with a PAL today!
PALS are Possibility Adult Leaders
who volunteer as mentors for youth!

PALs center your interests and joy
in a confidential, easy-going setting
that you co-create together!

Maybe you'll write poetry; play music;
learn a new dance; play sports; visit a
museum or gallery; shop for gender
affirming clothes; or something else!

Sessions are in person in Western MA.
Virtual sessions are available is needed.
