

# MSPCC A DIVISION OF ELIOT

**Holyoke Regional Services**

# WHO ARE WE?

MSPCC is one of the oldest nonprofit organizations in the country (1878). MSPCC stands for Massachusetts Society for the Prevention of Cruelty to Children. MSPCC has a long impressive and ongoing active role in pursuing the rights and treatment of children. In 2016 MSPCC combined with Eliot Community Human Services to further strengthen the agency's services and better address the needs of children and families. By joining forces a comprehensive continuity of care was created for all ages and stages within the lifespan. Services are available statewide with some variation depending on region.

# WRAPAROUND SERVICES IN HOLYOKE

Our Child, Youth, and Family Division embraces a “Wraparound” system of care in our behavioral health services. By focusing on the strengths and needs of each individual family, our Wraparound approach increases a family’s sense of confidence, helps them acquire new skills for supporting their child’s special needs, and accesses the necessary resources to build a supportive community network. Our clinical services ages birth to 21.

# IN HOME THERAPY

In-Home Therapy provides short-term family therapy to assist the family in stabilizing children in their homes during times of crisis. Services are delivered by a clinician and, in some cases, a Therapeutic Training and Support staff member. Services can be in the home, school, or community.

# THERAPEUTIC MENTORING

Therapeutic Mentoring offers one-on-one support for daily living, social, and communication needs. Therapeutic Mentors work in conjunction with an Intensive Care Coordinator, In-Home Therapy Team, or an individual therapist as part of a Care Planning Team to help youth meet their personal goals and reach their full potential. Therapeutic Mentoring services are provided in the home and community.

# SURVIVOR SERVICES

Survivor Services provides specialized trauma-focused treatment, support, service coordination, consultation and education to child and adolescent victims of crimes and their non-offending caregivers. Service options include individual trauma treatment, therapeutic groups for youth, and caregiver education and support groups. Clinicians are trained in Attachment, Regulation and Competency (ARC) and Trauma-Focused Cognitive Behavioral Therapy (TF-CBT). Services are provided to children and non-offending caregivers who are victims of:

- physical abuse or neglect
- sexual abuse
- violent crimes
- community violence
- survivors of homicide victims

Survivor Services are available in Boston, Holyoke, Malden, and Worcester, MA. Survivor Services are funded by the Victims of Crime Act (VOCA) and administered through the Massachusetts Office for Victim Assistance (MOVA).

# OUTPATIENT SERVICES

Our Outpatient Therapy for children, youth, and their families includes a variety of short to long-term interventions for conditions ranging from depression, trauma reactions, attention deficit disorder, disruptive behaviors, reactions to stressful or adverse personal or family circumstances, interpersonal conflicts, anxiety disorders, and much more. Involving families is a key element of our outpatient therapy.
